Gentlemen:-

For many years my Father, Hon. James H. Manning of Albany, N.Y, was a member of the American Numismatic Association, he died in 1925 and I have some medals of his which I think you might like to receive as a gift in his memory.

If a memorial gift will be acceptable to you will you send someone here to me at the above addreas and let me show the medals to him? Please phone me for an appointment and I will be glad to make it at your convenience. I am usually at home till about ten o'clock in the morning and always ready for phone calls from nine o'clock on. I am nearly always here, also, at about five to five-thirty and sometimes six- o'clock. F.W.L.

Trusting that my suggestion will be acceptable to you,

I am,

Very sincerely yours,

Beatrice A. Manning

Dear Mrs. Manning:

Mr. Wood, our Curator, is out of town and will not be in until Wednesday morning. We will then tell him to call you regarding the medals you so kindly offer as a memorial gift.

Very truly yours,

My dear Mr. Robertson:-

Your very prompt attention to my letter was very gratifying and I thank you for it.

I am sorry to say something has arisen regarding the medals, I won't bother you with the boring details, which will delay the matter for the present. I will let you know if and when I should want to see your Mr. Wood in the future.

Believe me,

Very gratefully yours,

Beatrice H. Manning
